

TransCert status 05-2013

CIUTI Madrid 24-5-2013 Dr. Alexandra Krause

Rationale and background

- EMT and OPTIMALE Advanced and innovative translator education at tertiary level + skills required by employers and customers
- The highest standards of quality and professional relevance need to be maintained in vocational and adult educational training
- No EU-wide agreed certification for the job role of Translator

Aims and Objectives

- Creating a Trans-European certification scheme on the basis of recent research, opening a strong position to European translation standards within an international framework
- Establishing an EU-wide translator certification or international accreditation body conforming to objective and consistent European standards

in order to

Goals on a personal level

- increase visibility of the own profession
- increase personal self-esteem
- allow valorisation of former professional experiences
- create an added market value for free lance translators
- provide incentives for further training and continuous qualification

Goals on the social level

- professionalise the translation business
- meet the requirements of quality assurance
- promote the development of academic programs
- meet the clients' expectations
- guarantee comparableness
- increase employability
- ensure sustainability
- promote competitiveness
- create equal positions on the labour market

3 fundamental types of certification

- Persons e.g. ISO/IEC 17024 (meta-standard for organizations for the certification of individuals), ECQA/EU-CERT (different professional profiles, e.g. financial manager, IT manager, terminology manager)
- systems, products and processes e.g. ISO EN 9000 ff for QM
- Services e.g. EN 15038 for requirements, at present LICS provides a certification system for translation companies focusing on services

Structure and timeline of the project

- Duration of the Project: 1-1-2013/31-12-2014
- 4 Meetings:
 - Kick-off meeting Vienna Date: 2013 February 4/5
 - First interim project meeting Paris ISIT Date: 2013 June 17/18
 - Second interim project meeting Location: Antwerp -Lessius
 - Date: 2014 February 17/18
 - Final project meeting Brussels: DGT Date: 2014
 September 8/9
- 7 Partners
- More than 15 AB members
- 8 Work Packages

A LIONBRIDGE

CLS COMMUNICATION

WP 1 Project Management

- Delivrables as Consortium Cooperation
 Procedures, Project Status and
 Administration/Reporting , Communication and
 version management system
- Leading Partner University of Vienna

WP 2 Quality Management

- Delivrables as Quality Management Plan, Package of Quality Review Reports
- Leading Partner University of Vienna, Subcontractor TermNet, Intertext involved

WP 3 Dissemination

- Delivrables as Dissemination Material (Graphical design, templates for dissemination, web page transcert.eu), Dissemination Events
- Leading Partner EUATC, all Partners involved

WP 4 Certification and training framework

- 3 Delivrables
- TransCert skill card
- Assessment framework
- Analysis of training needs
- Leading Partner UniVie, 5 Partners involved ISIT, Lessius, Intertext, EUATC, GALA

WP 5 Training package

- Delivrables as Training configuration, E-Learning portal, Training material – Trial version E, Pool of exam questions
- Leading Partner ISCN, 6 Partners involved UniVie, ISIT, Lessius, Intertext, EUATC, GALA

WP 6 Test&Train

- Delivrables as Trial training, Report on prototype testing
- Leading Partner ISIT, 6 Partners involved UniVie, Lessius, Intertext, ISCN, EUATC, GALA

WP 7 Finalization of the training

- Delivrables as Final version of TransCert training, Translated TransCert training material (FR, DE)
- Leading Partner Lessius, 6 Partners involved UniVie, ISIT, Intertext, ISCN, EUATC, GALA

WP 8 Sustainability

- Delivrables as Train-the-trainer Events, Training of trainees, Establishment of ECQA Committee for TransCert, Sustainability Plan
- Leading Partner UniVie, 6 Partners involved, ISIT, Lessius, Intertext, ISCN, EUATC, GALA

Progress of the Project

- Kick-off Meeting
- Opening of the AB to other interested Associations, Companies etc.
- Establishment of 3 task forces for the 3 delivrables of WP 4 –deadline 07-2013
- Creation of the web-site eu.transcert
- Dissemination e.g "EU-funded projects with translation company participation,, at the EUATC conference 3-5-2013

Several skype conferences, GoToMeeting, discussion on the web site within the task forces, deep going analysis of scientific literature related to the issue, deep going analysis of best practices, comparison of different approaches and contents to/of skill cards.

 Delivrable 4-01 Skill cards finished More than 70 skills, divided in Language skills Translation skills
 Domain-specific skills
 Information mining & terminology skills
 Personal translation management skills
 Technological skills
 Intercultural skills

Language skills -Vocabulary, Grammar, Idioms, phrasal verbs and word combinations, Typography and punctuation)
