MSLU Confucius Institute

I. Khaleeva
Rector
Moscow State Linguistic University
The presentation is devoted to MSLU’s cooperation with Hanban, the People’s Republic of China State Office for the Promotion of the Chinese Language. A key area of cooperation is support of bilingual Chinese and Russian training programs in universities of the Russian Federation and the People’s Republic of China, whereby Confucius Institutes – including the Confucius Institute at MSLU – play a key role.
