Tempus QAPD project: Enhancement of Quality Assurance Systems through Professional Development of Academic Leaders: Oct 2011 – Oct 2014

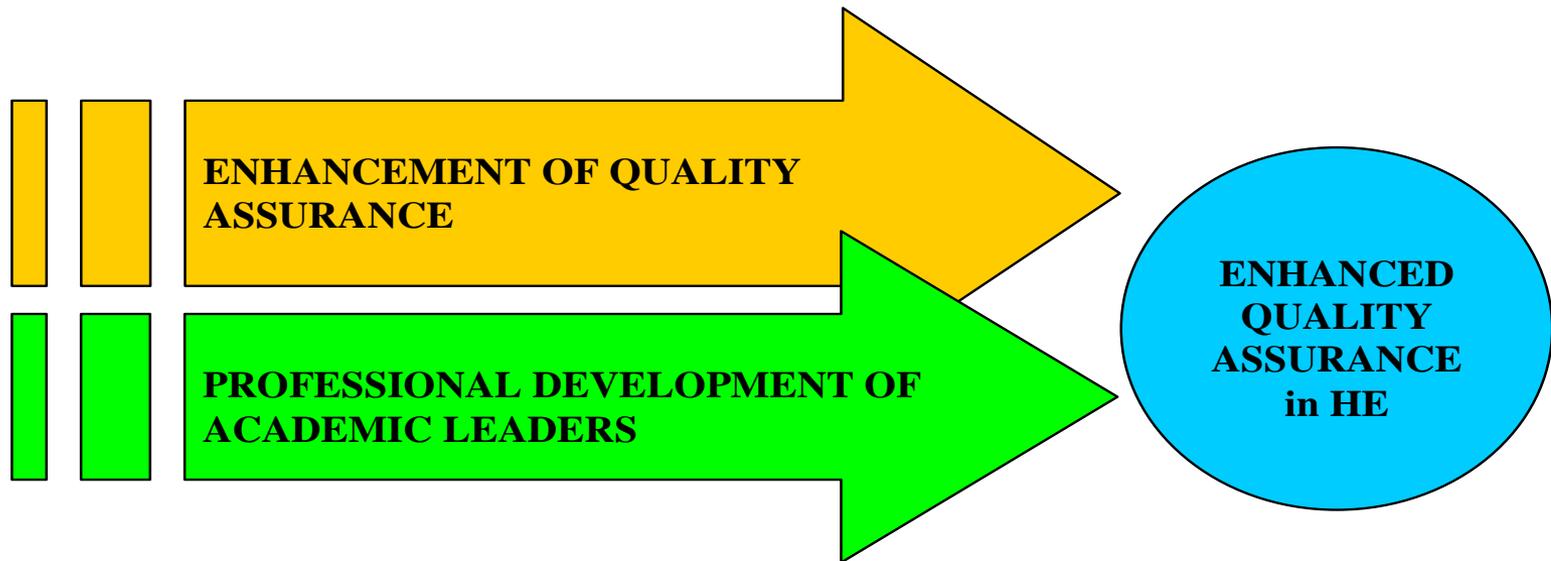

Tempus QAPD project

- Structural measures project aimed at enhancement of QA systems in the HE
- Professional development of cadre of academic leaders (5 partner universities in Uzbekistan) through curriculum development (6 local projects)
- Creation of pilot QA Centres in partner universities:
 - University of World Economy and Diplomacy
 - Bukhara State University
 - Samarkand Institute of Economy and Service
 - Karshi State University
 - Samarkand Institute of Foreign Languages

Tempus QAPD project

www.qapd.uz

MAJOR ACHIEVEMENTS

- **Analysis of the current state of the QA in HE**
- **Project Working Group on National Reform of the QA System**
- **Designing and delivering the programme of professional development of Academic Leaders**

MAJOR ACHIEVEMENTS

- **Delivery of Curriculum Development projects, e.g. Redesign of Theory & Practice of Translation module (Karshi State University); Redesign of Independent Study (*Samarkand State Institute of Foreign Languages*)**
- **Establishing Roadmap and Framework of QA Reform**
- **Making recommendations to the Ministry (Conference of Rectors in London - Jan, 2012)**

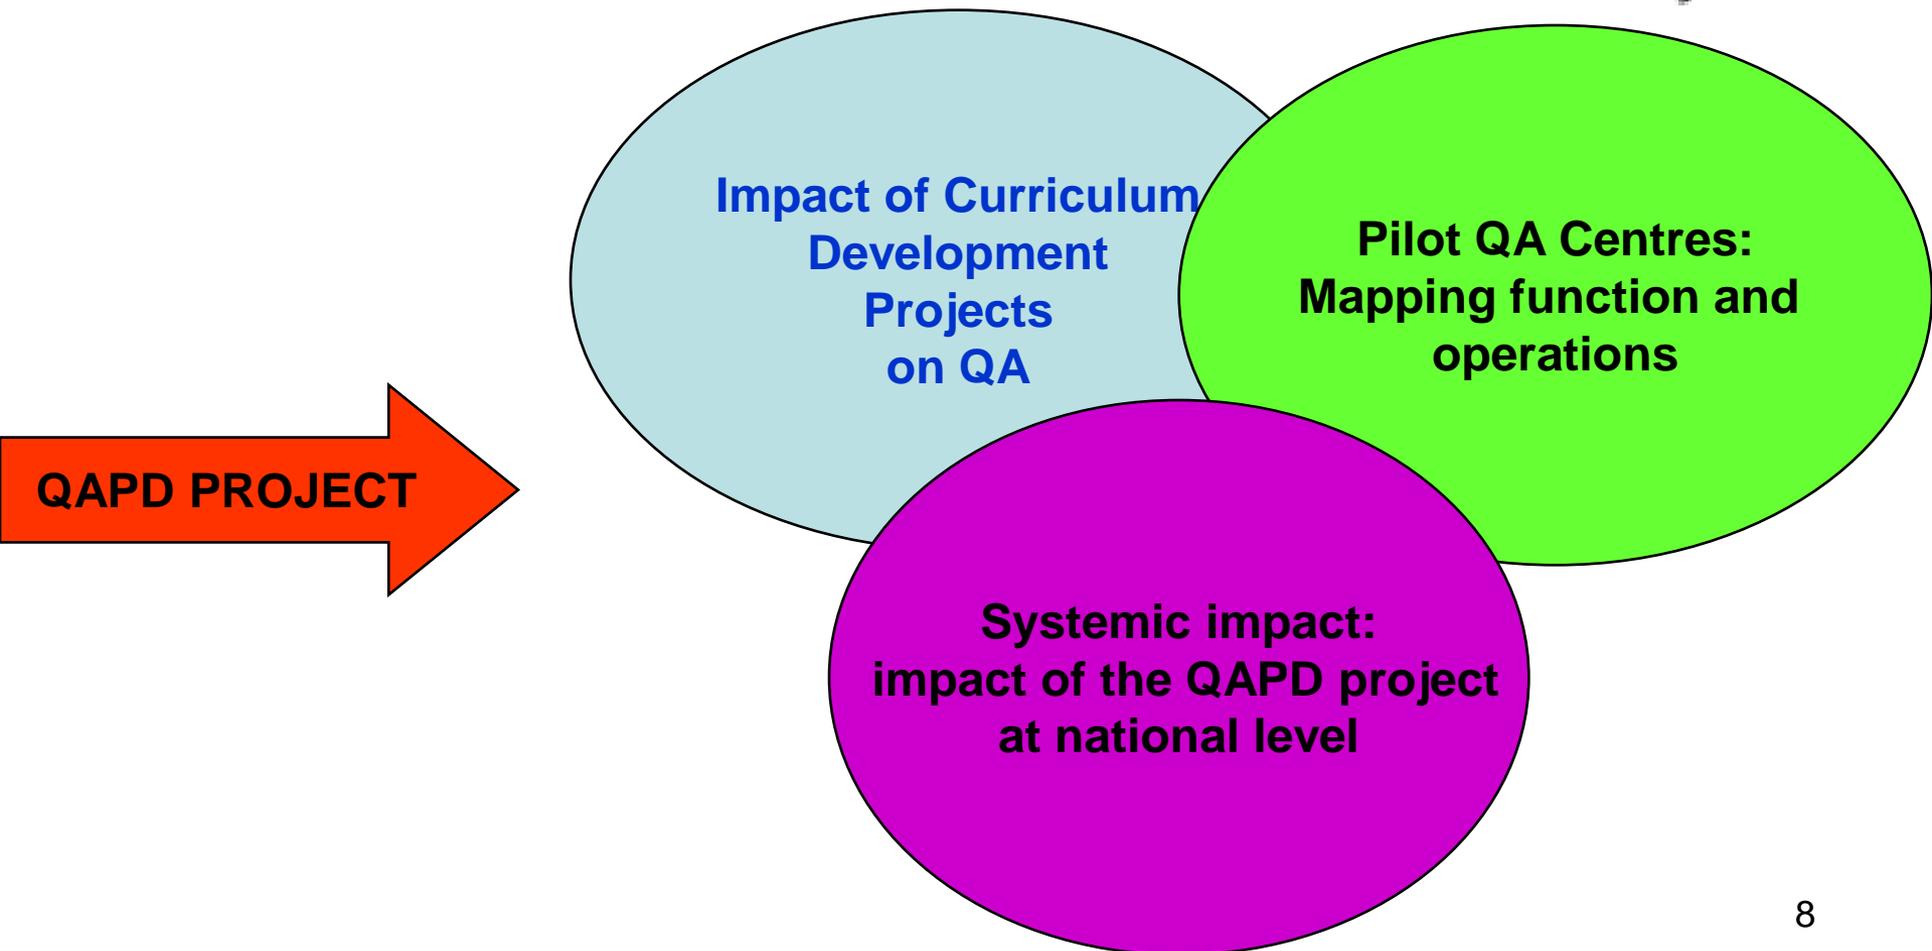

MAJOR ACHIEVEMENTS

- **Quality Assurance Manual**
- **Documentation on pilot QA Centres**
- **Opening of QA Centres in partner institutions**

WAY FORWARD

WAY FORWARD

The work on QA Centres should involve:

- **establishing criteria for success and measuring improvements across institutions;**
- **mapping functions and operation of QA Centres and preparing recommendations for the Ministry of Higher and Secondary Specialised Education;**
- **dissemination of information across all HEIs in Uzbekistan.**

WAY FORWARD

Systemic impact: the impact of the QAPD project at national level:

- **creation of the National working Group on QA: dialogue, networking and exchange of good practice and innovation;**
- **further internationalisation of the Higher Education in Uzbekistan;**
- **developing fresh thinking of QA and implementation of new approaches.**

Developing Quality Assurance in Higher Education
