Graduate School of Translation and Interpretation

Dating back to the joint program with the UN in 1979
Campus-wide cooperation

- Two language, two way T&I training
- Three language T&I training
International cooperation

- Degree or non-degree programs
- Dual degree programs (e.g. cooperation with Rheinische Friedrich-Wilhelms-Universität Bonn and Sprachen & Dolmetscher Institut München)
Collaboration with German Universities

Co-learning

Co-teaching
Collaboration with German Universities

Chinese and German students participated in mock conference together.
Collaboration with German Universities

They reported their proposals together, and will defend their theses together. They will receive dual degrees from their home and host universities.
Where’s the funding from?

• BFSU students receive financial support from the CSC.

• German students are supported by DAAD and/or CSC.
